Rhonda Hughes, a resident who lives on Red Coach, asked the board if there was anything the group could do to aid her in her ongoing problem with a colony of "feral" cats next door to her. The cats, some of which may or may not fit the definition of feral, are being taken care of by her neighbor who provides no litter boxes or toileting spot for the cats. As a result, the cats use Rhonda's yard. Rhonda has appealed to the homeowner, Animal Control and other agencies to no avail. Noelle Malatestinic said she would look into the issue.

Noelle announced that she is being reassigned to a different area and will no longer be our liaison; she expressed how much she enjoyed working with our group the last few years. Gary Loveless will be the new liaison for our area.

Next meeting will be September 18, 2013; meeting was adjourned at 8:30 PM
